Subcommittee	Recommendation	Implementation Date	Next Steps	Updates/Notes
<b>Fleet</b>  <a href="#">Executive Summary of Recommendations</a>  <a href="#">Detailed Recommendations Report</a>	1. Fueling/ Fuel Management System and Infrastructure Consolidation	FY12	Conduct a survey of each fuel site to identify specific fueling activities that can be combined and fuel sites to be eliminated. Prepare an amendment to CIP#451104, Fuel Management to add a standardized fuel management system to sites that are not already covered under the existing CIP as well as omit sites from the existing Fuel management CIP that would be targeted as part of the fuel site reductions. Evaluate existing CIPs to examine potential consolidation opportunities.	Due to budget, inclement weather and operational requirement, the Subcommittee has not conducted the survey yet. MCG is in the process of bridging MNCPPC Fuel Master contract for Phase I of the Fuel Management CIP. We should have the bridge in place in the next few weeks.
	2. Share Specialized Equipment Use/Towing	FY12	Towards the future look at the possibility of combining the different fleets into one bid to get better rates in towing services. Look at developing our own countywide request for the leasing / rent of specialized equipment	While the Subcommittee has not looked at one solicitation for all agencies, we currently have a Hertz Equipment Rental contract in place that allows all agencies to rent needed equipment from one contract.
	3. Training Consolidation	FY12	The next steps for the Training Recommendation as follows: 1) Internal Agency training meetings/Analysis of training needs; 2)Agency Training Officer group meetings; 3) Formulate plan/implment initial pilot trianing program and review; 4) Roll out provision.	On Track
	4. Shared purchasing - combine bids for new vehicles equipment	FY12

<b>Fleet (Continued)</b>	5. Grants vehicles/equipment	Post FY12		_____
	10. CNG – Fast Fill			
	7. Shared maintenance space	FY12	Subcommittee members are meeting with legal counsel for all Agencies. Once challenges/obstacles are resolved, writing the MOU.	Subcommittee is still trying to work through the legal aspects of this recommendation.
	8. Emergency Communications	Post FY12		_____
	9. Parts Solicitation	FY12		
	11. Grants Applications	Post FY12		_____
	12. [a] Eliminate Redundant Inspections [b] Decrease Cost: Leased Tire Contract [c] Decrease cost: Use of Retreads on Rear Tires	Post FY12	Potential savings in FY12: [a] \$942,240 [b] \$100,000 [c] \$100,000	On Track

Subcommittee	Recommendation	Implementation Date	Next Steps	Updates/Notes
<b>Administrative</b>  <a href="#">Executive Summary of Recommendations</a>  <a href="#">Detailed Recommendations Report</a>	1. Training Function and Service Consolidation	FY12	Implementation steps: Interagency Training Group to identify opportunities to consolidate a limited number of common training classes that can be offered on a consolidated basis in FY12. Also to identify opportunities to create/share online training tools that provide tracking and certification requirements across agencies.	
	2. Centralized P-Card vendor	FY11	MCG has signed its contract with JP Morgan Chase. M-NCPPC is preparing to execute contract documents with JP Morgan Chase later this fiscal year. HOC is continuing to explore this opportunity.	Estimated savings for FY12: \$184,000. Estimated savings for FY13: \$184,000.
	3. Specialized Banking Services	FY12	Additional analysis is needed to identify savings (e.g. position reductions) or efficiencies that could be realized.	
	4. Centralize Employee Background Investigations	FY12	Determine: 1) level of fee for b/g check (MCPS=\$54); & 2) if there is an adverse impact to recruitment for charging non public safety applicants;. Assess changes needed to personnel regulations, County Code, other policies to permit use of retirees and temporary employees for seasonal spikes in b/g investigations.	Estimated savings for FY12: \$258,000. Estimated savings for FY13: \$258,000.
	5. Consolidate Agency Security Patrol	FY12	No further action.	

Subcommittee	Recommendation	Implementation Date	Next Steps	Updates/Notes
<b>Administrative (Continued)</b>	6. Centralize administration of specific functions: e.g. Payroll; Benefits; W2 Notification; banking services, Payments, etc.	Post FY12	Post MCG Implementation and stabilization the agencies will revisit. From discussion, A/P is identified as first area for further exploration. Planning may be initiated as early as the second half of FY12, after MCG ERP implementation is stabilized.	_____
	7. Have reciprocal agreements with Montgomery County agencies to allow easier transfer and recruitment of employees (e.g. existing arrangement between MCG and the MC Circuit Court).	FY12	N/A	
	8. Centralize &/or explore contracting opportunities for alcohol and drug testing programs	FY12	Review data and identify opportunities for cost savings, e.g. contract expansion if a lower per unit cost could be achieved. HOC has already piggy-backed on MCG contract.	
	<b>This item was moved here from IT Subcommittee</b> 9. Cross Agency Language Translation Services Cooperative - Moved here from IT Subcommittee for implementation	Phase I: FY12 Phase II: FY13	A joint MCPS/MCG Committee has been working on this issue and has already drafted an MOU.	
	<b>New Item added by Exec. Committee</b> 10. Implement a cross-agency cost-cutting strategy for Paper/Print/Mail use	FY12	Identify any further opportunities for cost savings as part of FY12 Budget.	Estimated savings for FY12: \$955,000. Estimated savings for FY13: \$955,000.

Subcommittee	Recommendation	Implementation Date	Next Steps	Updates/Notes
<b>Procurement</b>  <a href="#">Executive Summary of Recommendations</a>  <a href="#">Detailed Recommendations Report</a>	1. County Government Management of All Vehicle Purchasing	FY12	(1) Each agency will be assessing its vehicle purchase needs and requirements, current contract terms, and industry changes (2) With regards to duplicate contracts across multiple categories, we will review the initial listing of contracts to identify further opportunities and which agencies will lead on behalf of all the agencies for a particular category.	MCPS is currently using the County's small vehicle contracts (Pick-Ups and sedans), as well as Hybrid vehicle contracts. Each agency is currently identifying their respective vehicle and parts contracts. By the end of March, we will have compiled this listing for each agency and will provide that list to the Fleet subcommittee for their collective specification gathering and requirements analysis. Once the Fleet sub-committee has finalized specifications and requirements, our sub-committee will issue a cooperative aligning it with current contract expirations.
	2. Public School Management of Paper Purchasing	FY12	(1) MCPS as the lead will combine agency requirements into single solicitation document (2) Issuing solicitation and awarding contracts	MCPS combined agency requirements into a single cooperative Paper solicitation, including specification for 30% post consumer/50% recycled or better. The IFB has been issued and bids are due on 3/4/11.
	3. Coordinated Purchasing of Environmentally Preferable Products	FY12	(1) The First EPP Product will be included in the paper solicitation to include a minimum of 30% unbleached post consumer waste (2) Identify opportunities for other EPP product solicitation consolidation and develop a priority listing.	The paper solicitation included a requirement for an environmentally friendly product (employing acid free manufacturing processes): Elemental Chlorine Free (ECF) or Total Chlorine Free (TCF). Mills must be able to demonstrate this, with independent audit as an option.
	4. Explore consortium purchasing of other potential goods and services such as courier and delivery services, alcohol drug testing, employee background investigations, cell phones and any other goods or services recommended by CARS committees	FY12	However, we will be discussing other recommended purchasing consortium items as a result of the CARS committee final approved recommendations such as leases, banking, office supplies, copiers, and others and will continue to seek opportunities for other consortium purchases.	N/A as CARS subcommittees indicated no realized savings for these particular items. Other products/opportunities will be identified and placed under #1 above, and as stated is under FY12.

	<p><b>New Item added by Exec. Committee</b>  5. Cross-Training for Procurement Personnel</p>	FY12	<p>(1) For FY11, completed a cross-agency training on Green Purchasing including EPP (2) In Fourth Quarter FY11 coordinating another cross-training program in recognition of Purchasing Month in March (3)Second Quarter FY12 Develop long term plan for additional cross-training.</p>	<p>On March 25, 2011, IPCC agencies will be jointly conducting a Construction Cooperative Roundtable discussion with local, small construction firms. User departments have also been invited such as construction division in MCPS, DOT and DGS in Montgomery County, etc. Names of LSBRP construction firms have also been provided to Montgomery College, who will be hosting.</p>
